Announcement on the Change of the Corporate Name and Partial Amendment
to the Articles of Incorporation

GreenPeptide Co., Ltd. announces that the company has decided, at a meeting of the board of directors held today, to propose a motion to change the corporate name and partially amend the Articles of Incorporation accordingly at the 14th annual general meeting of shareholders to be held on June 29, 2017, as described below.

1. Change of the corporate name

(1) Reason for the change

In order to make the most of business opportunities in the domain of “cancer immunotherapy”, which is a driving force of today’s cancer therapy innovations and is expected to further expand the horizons of related development, we have expanded our fields of development not only in peptide vaccines, in which we have been engaged since our founding, but also in new fields, such as cellular medicine and antibody medicine. Hence the current corporate name “GreenPeptide,” which was formed focusing on the word “peptide,” no longer appropriately reflects the status of the company or its potential in the future. Since our founding 14 years ago when the potential of cancer immunotherapy was uncertain, the business environment has greatly changed with the rapidly expanding business opportunities. Under these circumstances, we believe it is time to change the corporate name as we enter a new stage of corporate growth.

(2) New corporate name (in English)

BrightPath Biotherapeutics Co., Ltd.

- (3) Effective date of change
July 1, 2017

2. Partial amendment to the Articles of Incorporation

(1) Reason for amending the Articles of Incorporation

In accordance with the change of the corporate name as described in provision 1 above, Article 1 (Corporate name) of the current Articles of Incorporation shall be amended.

(2) Content of the amendment to the Articles of Incorporation

The content of the amendment to the Articles of Incorporation is as follows:

(Underlined parts indicate wording to be amended.)
